### **The Service League's traditional holiday collection of toiletries for the women of the SouthSide Center of Hope.**

The women are eager to receive shampoo, soap, deodorant, toothpaste, bubble bath, lotion, etc. These make a large difference in women's ability to take charge of their own housekeeping and develop their sense of self respect.

Please drop off toiletries and cosmetic bags at 1700 E. 56th St., marked for Barbara Wagner.

**Donations can be left with the doorman until December 15th.**

We send our condolences to member Marion Krentz, whose husband Edgar recently passed, and to Mary Lee Greenlee, whose husband Andrew Sr. also passed recently.

## **Co- Presidents' Letter ~~~ December 2021**

Dear Colleagues,

We have wonderful news to report. The Fall Benefit was a resounding success. We estimate about 100 shoppers came on November 13th, including at least 20 non-members. Thanks to our members and friends the Bazaar raised approximately \$6,000. Invoices and donations are still being calculated. A final report of earnings and expenses is anticipated for the December 15th Board meeting.

Our Patronesses continued to provide the UCSL with invaluable support; this year they gave about \$17,000. These funds will be distributed to our local philanthropic organizations. For everyone's generosity we are especially thankful. The Patronesses are listed in the Benefit Program book. Importantly, the change of venue to Augustana Lutheran Church Hall enabled us to realize significant savings.

Special thanks to this year's Fall Benefit Co-Chairs, Lesley Bloch and Kristin Wood, and also to Benefit Treasurer Dianne Luhmann, all the Sub-Committee Chairs and ALL the Volunteers. Without your support our annual Fall Benefit would not have been as joyful or as successful.

***A warm welcome to our newest Service League members,  
Marianne Haines and Stasia Jamell.***

Best wishes for safe and joyful holidays! Happy Thanksgiving, Happy Hanukkah, and Merry Christmas to you and yours.

## **REPORT from BENEFIT/BAZAAR** **CO-CHAIRS**

To all those wonderful women who gave so generously to this year's Patroness appeal, we send a special thank you!

*wreath graphic from vecteezy.com*

All our thanks to everyone who helped with the huge task of adapting to current conditions by converting the Quad Cub event into our fine event in Augustana Church's spacious meeting room.

And finally to all those masked shoppers at the Bazaar, thanks for coming out and supporting our philanthropies with your purchases. The Bazaar was great fun, some work and a lot of organizing. But we did it, masks and all. Getting Together Again was a great treat!

Attendance sheets indicate that at least twenty people who were not League members attended. Kudos to Kathy Huff for publicizing our event to the community and to Carol Johnson for getting the word out to members. Carol's wonderful signs on the tables were a great help as well.

Again, thank you all for making the 2021 Fall Benefit/Bazaar a success.

## SPECIAL INTEREST GROUPS

The Book Group's **December meeting will be on 12/07 at 7:00 p.m.,**

on Zoom to discuss "Fifty Words for Rain" by Asha Lemmie. Our next meeting will be January 4, same location and time. We will be discussing "Anxious People" by Frederick Bachman.

If you will be new to the group send your email address to [lhkracke@earthlink.net](mailto:lhkracke@earthlink.net) to be added to the mailing list so that you can get the Zoom link to the meeting, which is sent a day or two before the meeting.

Thank you, and hope to see you soon! *Laura Kracke*, Chair.

### Cercle Français

A small group of us met--in person--November 9th. Roberta Bernstein shared some WWII French postcards and also some small children's books that her father Sam Lesner had collected.

It was sometimes not as easy as one might expect to figure out the English names of flowers and children's games that were illustrated in one of the *livrettes*; some were almost the same, but others were more puzzling—but six heads are better than one, so together we figured them out. Roberta read the story to us from another book, and we studied the pictures to figure out what was going on.

We will meet on Tuesday, December 14, at 2:30 pm, which will most likely be a hybrid meeting—in person and Zoom. We hope to have a report from Lesley Bloch who will be in Paris!

### DINING OUT GROUP ~ A Special Holiday Treat!

This month, the Dining Out group combines dining with Music for the Holiday Season at the Union League Club, 65 W. Jackson, on Monday, December 20th. We begin at 10:45 a.m. with a Holiday Concert, followed by a luncheon in their large dining room.

The cost is \$35, payable by check or cash. (no credit cards accepted). Proof of vaccination and wearing a mask, required.

**Reserve by calling Rosalie Guttman, at 773-324-2657, by December 15, 2021.** More details to follow.

### **Monarch News**

By Marilyn Cavicchia

Hello from the Monarch Special Interest Group!

Just a brief update this time, mainly to say that we continue to meet over the winter, and anyone is welcome to join us. Our monarchs are now in Mexico for the winter.

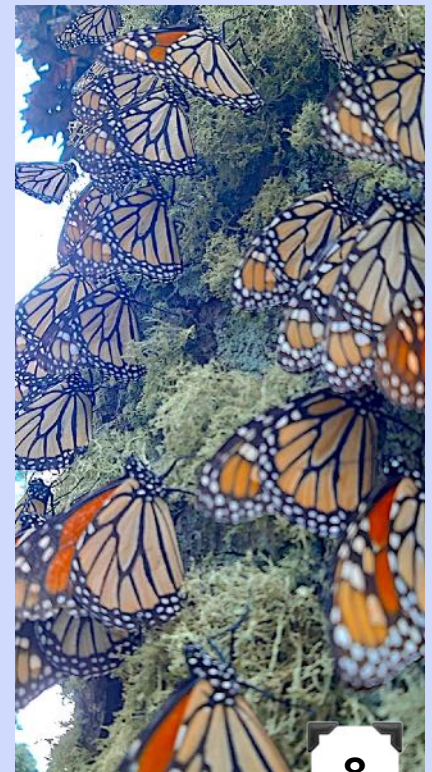

Through a monarch Facebook group I'm part of, I know two gentlemen who work at El Rosario, a big monarch sanctuary near the Mexican city of Michoacán (which, incidentally, is where many Mexican-American immigrants here in Chicago originally came from). Both these men—David and Abel—post incredible photos and videos of monarchs at rest, nearly covering the green oyamel fir trees over the winter. (photo on left).

If you're on FaceBook, Abel does many public posts (meaning you don't have to be his FaceBook friend), which you can see at this link: <https://www.facebook.com/profile.php?id=100012262002934>. The photo below right is one that Abel posted recently, to show the butterflies in the trees during the day.

Because I know they do have some tech capabilities and are eager to talk about their work, I have a little dream for one of our winter meetings: If David and Abel can use Zoom, I would love it if they could show us, in real time, what our butterflies are doing, and if we could talk with them for just a few minutes.

For this to work, I need help from someone who speaks Spanish: first, to help me draft an email to David to tell him this idea, and second, to attend the Zoom meeting to help translate. David and Abel speak some English, and we'll keep our conversation simple, but I want to make sure they're comfortable.

I'm aiming for December 16 at 3 p.m., which is our next scheduled Zoom meeting, but this may require some flexibility, and I would be thrilled if we could do this virtual visit to the sanctuary anytime this winter. If you can help, please email me at [marilyn.cavicchia@gmail.com](mailto:marilyn.cavicchia@gmail.com). Thanks!

**On Monday, January 10th,** Kristin Woods will host the meeting in her home at 5537 So Cornell at 7pm.

### Books Discussed:

Christie, Agatha – Especially her Miss Marple and Inspector Poirot books

Costa, Robert and Woodward, Bob – “Peril”

Illes, Florian – “1913: The Year Before the Storm”

Sijie, Dai — “Balzac and the Little Chinese Seamstress”

Towles, Amor – “The Lincoln Highway”

Krueger, William Kent – “Iron Lake” (Cork O’Connor Mystery Series)

All are welcome to join in the discussions.

Chair, Marie Schilling: [mschilling17@earthlink.net](mailto:mschilling17@earthlink.net); 773-955-4949.

The all-vaccinated **Walking Group** continues to happily enjoy being together.

**MEET: Mornings at 9:30 a.m. on Tuesdays, Wednesdays and Fridays.**

We usually meet at the 55th Street Shopping Center (near the Post Office).

We walk throughout the winter (*when humanly possible*). In that season, we try to stay west of the Metra tracks, to keep out of the wind so we can still enjoy each other’s company, the fresh air and hopefully a bit of sunshine.

A weekly reminder will be sent to all participants.

We welcome new members and only ask you to let

Peggy Garrett, [edwpeggy@ameritech.net](mailto:edwpeggy@ameritech.net), know if you are coming.

## Community Service Organizations

Plant Chicago's Farmer's Market in Back of the Yards this fall featured items by Chicago Commons parents.

*Chicago Commons thanks the Service League for its continued commitment.*

[chicagocommons.org](http://chicagocommons.org)

Chicago Commons' Family Hub program worked with Plant Chicago this year to promote entrepreneur projects and publicize its programs. The Family Hub program uses a multigenerational approach to building skills and community. Several Chicago Commons parents sold products and artwork at Plant Chicago's farmers' market in Davis Square Park, near Commons' Paulo Freire Center in Back of the Yards, photo above. (I had a delicious vegan taco.)

Plant Chicago is a sustainable closed loop indoor agriculture and education center located near where the Mary McDowell Settlement House once stood. Mary McDowell was a leader in Chicago's Sanitation movement. No doubt she and former Service League members would be surprised to find a former meat packing warehouse transformed into a center of sustainable businesses. It is gratifying to see a new generation build small business skills and find sustainable alternatives in Chicago.

Chicago Commons has several job openings in a variety of positions from Finance to Child Care. Please encourage anyone looking for a nonprofit job to check its website. Commons is expanding rapidly and has some exciting positions.

### DELTA LITERACY PROJECT ~~ NEW LIAISON NEEDED.

PLEASE CONTACT BARBARA WAGNER, [WAGNER36@SBCGLOBAL.NET](mailto:WAGNER36@SBCGLOBAL.NET)

Delta Literacy continues to be unable to tutor at their main site, 4525 S. King Drive. Olivia Amos, the Executive Director, encourages the tutors to stay in touch with their students by phone and email. She urges both tutors and students to get the COVID vaccine.

Tutors reach out to the students by phone instead of online or in person sessions. Delta hopes to restart their math and reading tutoring and other programs when it is safe.

Southside Center of Hope's newest residents have just about settled in. The Center is short staffed, and so their very busy staff works double shifts. There still are job openings available.

At this time they are unable to accept many referrals of new clients from residential facilities, because those women who are being released are still on their special medications. The Rules for the Southside Center of Hope are based on a Total Abstinence Program and clients are not to need assistance from medications or harm reduction programs.

All facility repairs have been made for the building. No issues to report.

If you'd like more info about the SSCH's activities and staff, visit their general website or their blog at

A Thank You letter from the  
Hyde Park Neighborhood Club

University of Chicago Service League  
c/o Clairan Ferrono  
5432 S Dorchester Ave  
Chicago, IL 60615-5309

Dear Service League members,

Thanks for being a part of our team! Your gift of \$3,750 received on November 10, 2021 will make it possible for South Side kids to play on through this school year and far into the future. By contributing to the Play On! campaign, your generosity has been doubled thanks to a matching challenge gift from the Betty Lou Smith Foundation. Teamwork is how we work!

Hyde Park Neighborhood Club is the place in the neighborhood where children can play as their whole selves. Your gift allows us to offer Tot Lot to families at an affordable rate to connect infants, preschoolers, and caregivers with friends they will have for the rest of their lives. Because of donors like you, our After School Program is open to kids from across the South Side to decompress from the stresses and pressures of a long school day. Learning a new skill at Basketball, Roller Derby, or Acrobatic Arts are within reach for every child because you help cover the costs for families. Because of you, we can Play On!

I hope you will stay up to date with all the new happenings at HPNC by signing up for our e-newsletter at [hpncclub.org](http://hpncclub.org) and by following us on Facebook. If you have any questions about your gift, please don't hesitate to reach out to me directly at [cywilson@hpncclub.org](mailto:cywilson@hpncclub.org) or (773) 643-4062. Thank you again for helping to make the work of Hyde Park Neighborhood Club possible.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Wilson".

Chris Younkin-Wilson  
Development Director

Congratulations on a fun & successful Bazaar this year! HPNC is so lucky to have your support. You make our neighborhood a better place!
